Supervisor Coggs-Jones Receives First Dose of COVID-19 Vaccine

MILWAUKEE – County Supervisor Priscilla Coggs-Jones received the first dose of the Moderna COVID-19 vaccine at a vaccination drive hosted by [Community Huddle](#) on Wednesday, June 23.

“I am happy to have received my first dose of the COVID-19 vaccine. After receiving my first shot, I felt fine, with no side effects, and the staff was friendly and gentle,” said Supervisor Coggs-Jones. “We need to think about different vaccine delivery strategies to reach people who are still reluctant or still face challenges accessing traditional sites. I thank Community Huddle for providing a space for people to receive the vaccine near their homes and in a comfortable safe environment.”

The Community Huddle event provided Milwaukee residents with the opportunity to choose from the Moderna, Pfizer, or Johnson & Johnson COVID-19 vaccines.

Community members are encouraged to visit www.healthymke.com for up to date information on the COVID-19 vaccine and to learn more about vaccination sites in their area.
