## **Evers Vetoes Commonsense Voter ID Protections, Election Reforms**

**Madison** – Today, Senate Majority Leader Devin LeMahieu (R-Oostburg) issued the following statement in response to Governor Tony Evers vetoing six commonsense election reform bills:

**“Our commonsense election integrity bills would have made it easy to vote and harder to cheat. Today, the Governor showed he’s committed to keeping the same laws and loopholes that were exploited during the pandemic.”**

**“Protecting Voter ID laws and the integrity of our election is fundamental to a healthy republic. Governor Evers is standing in the way of restoring the trust in our process that has been lost.”**

*Senator Devin LeMahieu represents the 9<sup>th</sup> Senate District, which includes portions of Sheboygan, Manitowoc, and Calumet Counties. He serves as Majority Leader for the Wisconsin State Senate.*
